THE ENGINEERING GROUPE MAPS FIRST PLACE

Woodbridge, VA — The Engineering Groupe took first place at the Annual Plat Contest held at the Virginia Association of Surveyors' Annual Convention and Meeting last week in Williamsburg. Two teams placed first in Subdivision Plats and Miscellaneous Maps categories.

The teams of Billy Flynn, Ben Broker and Rico Wilson were the members of the winning team in the Subdivision Plats entry and Ned Marshall, Ben Broker and Sandy Revard for the Miscellaneous Maps category.

"Participating in meetings and conventions such as the Annual Convention for the Virginia Association of Surveyors gives us a chance to display the great skill that our Engineering Groupe professionals display in our industry. It brings a sense of pride and comradery to learn from each other," says John S. "Skip" Groupe, IV, President. "We build great relationships through these opportunities with our peers and really look forward to spending this time with our fellow surveyors in the Commonwealth."

The Virginia Association of Surveyors has been promoting the interest and development of Virginia licensed surveyors since 1948.

About The Engineering Groupe:

The Engineering Groupe is a premiere Virginia consulting firm offering a full range of professional services in engineering, planning, surveying and environmental services to prestigious clients. Established in 1990, The Engineering Groupe is celebrating 20 years of providing consulting services to a broad range of clients from national homebuilders and commercial developers to municipal agencies.

The company is headquartered in Woodbridge, Virginia, with an additional office in Fredericksburg. The Engineering Groupe, Inc. has been ranked among the top 25 Engineering Firms in the Metropolitan area by Washington Business Journal. For additional information, please visit www.enggroupe.com.
