THE ENGINEERING GROUPE'S GROVE PASSES EXAM

Woodbridge, VA — The Engineering Groupe's Eric Grove passed the Land Surveyor in Training (LSIT) examination this month. The Land Surveyor in Training is the first step required towards becoming a Professional Land Surveyor.

Grove has been with the Engineering Groupe for 14 years as a Surveyor. The Engineering Groupe offers a wide range of surveying services throughout the Washington, D.C. metro area.

"It is always exciting when one of our employees moves forward in education and certification in their professional careers," says John S. "Skip" Groupe IV, President of The Engineering Groupe, Inc. "We support our employees in every way that we can in furthering their education."

Grove now qualifies to sit for his professional license to be a Licensed Land Surveyor and plans to move forward with that in the coming months.

About The Engineering Groupe:

The Engineering Groupe is a premiere Virginia consulting firm offering a full range of professional services in engineering, planning, surveying and environmental services to prestigious clients. Established in 1990, The Engineering Groupe is celebrating 21 years of providing consulting services to a broad range of clients from national homebuilders and commercial developers to municipal agencies.

The company is headquartered in Woodbridge, Virginia, with an additional office in Fredericksburg. The Engineering Groupe, Inc. has been ranked among the top 25 Engineering Firms in the Metropolitan area by Washington Business Journal. For additional information, please visit www.enggroupe.com.
