## **THE ENGINEERING GROUPE ANNOUNCES FIRM ACCOMPLISHMENTS**

### *ERIC GROVE PASSES EXAM*

**Woodbridge, VA** — The Engineering Groupe is delighted to announce that Eric Grove, Director of Field Surveys, has successfully passed the National Council of Examiners for Engineering and Surveying examinations. He completed the Principles and Practice of Land Surveying (LS) exam and the Virginia Portion of the Professional Surveying (PS) exam.

"It is always rewarding to see a fellow member further their professional credentials, says John S. "Skip" Groupe, IV, President of The Engineering Groupe, Inc. "We are very proud of his accomplishments."

The Principles and Practice of LS exam is intended to test the individuals' proficiency on 'land' surveying principles. The PS exam tests the ability to practice the surveying profession competently. These are two critical examinations for professional surveyors. With these two completions, Grove is the newest licensed Land Surveyor at The Engineering Groupe, Inc. Grove has been with The Engineering Group for over 14 years.

#### **About The Engineering Groupe:**

The Engineering Groupe is a premiere Virginia consulting firm offering a full range of professional services in engineering, planning, surveying and environmental services to prestigious clients. Established in 1990, The Engineering Groupe is celebrating over 22 years of providing consulting services to a broad range of clients from national homebuilders and commercial developers to municipal agencies.

The company is headquartered in Woodbridge, Virginia, with an additional office in Fredericksburg. The Engineering Groupe, Inc. has been ranked among the top 25 Engineering Firms in the Metropolitan area by Washington Business Journal.
