THE ENGINEERING GROUPE LAUNCHES TEN-WEEK SUMMER INTERNSHIP PROGRAM

Woodbridge, VA — The Engineering Groupe, Inc. is excited to welcome Jared Berman of Fairfax to the team as an intern. Berman is a current student at Virginia Polytechnic Institute and State University with a concentration in civil and environmental engineering.

The Engineering Groupe summer internship program is geared toward cultivating and providing professional opportunities for aspiring engineers and surveyors. Interns are introduced to a full range of engineering services and various projects. Berman will be a wonderful addition to the team, to share his enthusiasm to learn and gain a valuable experience.

"It's always a pleasure to welcome future engineers to our organization," says John S. "Skip" Groupe, IV, President of The Engineering Groupe, Inc. "We invest in young talent and hope that Jared will find this experience rewarding."

In addition to his academic studies, Berman also participates in the Virginia Tech Division 1 NCAA Athletic programs of Cross Country and Indoor and Outdoor Track.

About The Engineering Groupe:

The Engineering Groupe is a premiere Virginia consulting firm offering a full range of professional services in engineering, planning, surveying and environmental services to prestigious clients. Established in 1990, The Engineering Groupe is celebrating over 22 years of providing consulting services to a broad range of clients from national homebuilders and commercial developers to municipal agencies.

The company is headquartered in Woodbridge, Virginia, with an additional office in Fredericksburg. The Engineering Groupe, Inc. has been ranked among the top 25 Engineering Firms in the Metropolitan area by Washington Business Journal. For additional information, please visit www.enggroupe.com.
