THE ENGINEERING GROUPE WELCOMES THORSTAD TO THE TEAM

KEVIN THORSTAD JOINS THE FIRM AS A CIVIL ENGINEER

Woodbridge, VA — The Engineering Groupe announced today that Kevin Thorstad, P.E. has joined the firm as a Project Engineer. Thorstad specializes in residential and commercial site design, system design and optimization, project management, as well as quality assurance inspections and safety compliance. He is a graduate of Georgia Institute of Technology and has been licensed with Professional Engineering certification since 2011. Thorstad will lead residential, commercial and multi-use development projects within The Engineering Groupe, taking them from the first stages of design and drafting through to final inspections and approvals.

“The team is thrilled to have Kevin come aboard”, says John “Skip” Groupe, President of The Engineering Groupe. “He brings a wealth of knowledge and experience in civil engineering and project management and will no doubt be an incredibly valuable asset to our firm as we continue to expand our projects throughout the region.”

Thorstad is a member of the American Society of Civil Engineers and holds a certification in Hazardous Waste Operations. His hobbies include playing golf and trivia as well as fostering dogs as part of the Atlanta Dog Rescue. Kevin and his wife moved to Virginia from Georgia in 2011 and now make their home in Falls Church.
