CHRIS FERRARA ISSUED LAND SURVEYOR B LICENSE

Woodbridge, VA – Chris Ferrara successfully completed all the requirements to receive his Land Surveyor B License by the Virginia Department of Professional and Occupational Regulation on May 30, 2013.

“Chris has been an invaluable asset to our team throughout his 18 years with the company,” said John S. “Skip” Groupe, IV, President of The Engineering Groupe, Inc. “With his Land Surveyor B License, Chris will have the opportunity to continue to excel and grow as a professional and within The Engineering Groupe.”

Ferrara has been a member of The Engineering Groupe since June 1995, and is experienced in civil engineering and land surveying projects throughout Northern Virginia. His diverse project experience includes redevelopment of existing plazas, analysis of utility systems, and design of stormwater management facilities.

About The Engineering Groupe:

The Engineering Groupe is a premiere Virginia consulting firm offering a full range of professional services in engineering, planning, surveying and environmental services to prestigious clients. Established in 1990, The Engineering Groupe is celebrating over 23 years of providing consulting services to a broad range of clients from national homebuilders and commercial developers to municipal agencies.

The company is headquartered in Woodbridge, Virginia, with an additional office in Fredericksburg. The Engineering Groupe, Inc. has been ranked among the top 25 Engineering Firms in the Metropolitan area by Washington Business Journal. For additional information, please visit www.enggroupe.com.
