**THE ENGINEERING GROUPE OPENS METRO OFFICE**  
*New Office Located in McLean, Virginia*

**McLean, VA** – The Engineering Groupe, Inc. announced today the establishment of a McLean, Virginia office as a response and commitment to fully serve growing local and regional demand in civil engineering, planning and surveying disciplines. Thomas E. Murray, PE who recently joined The Engineering Groupe will serve as Vice President/Branch Manager of the new office, located at 1483 Chain Bridge Road, Suite 300, McLean, Virginia.

A licensed Professional Engineer in Virginia and Maryland, Murray has over 25 years of experience working for large developers and engineering firms throughout the region. In addition to offering engineering services out of the McLean office, Mr. Murray will be leading the newly formed Construction Management Services Division of The Engineering Groupe. Mr. Murray can be contacted directly at 703-670-0985 or at [tmurray@enggroupe.com](mailto:tmurray@enggroupe.com).

**About The Engineering Groupe:**

The Engineering Groupe is a premiere Virginia consulting firm offering a full range of professional services in engineering, planning, surveying and environmental services to prestigious clients. Established in 1990, The Engineering Groupe is celebrating over 23 years of providing consulting services to a broad range of clients from national homebuilders and commercial developers to municipal agencies.

The company is headquartered in Woodbridge, Virginia, with an additional office in Fredericksburg. The Engineering Groupe, Inc. has been ranked among the top 25 Engineering Firms in the Metropolitan area by Washington Business Journal.
