THE ENGINEERING GROUPE OPENS LOUDOUN OFFICE

New Office Located in Ashburn, Virginia

Ashburn, VA – The Engineering Groupe, Inc. established a presence in Loudoun County this week with the opening of its newest office in Ashburn, Virginia enabling the company to better serve growing local and regional demand in civil engineering, planning and surveying disciplines. The Engineering Groupe, Inc. Chief Operating Officer John “Johnny” S. Groupe, V, PE, will serve as the Branch Manager of the new West Office, while Vice President Charles “Charlie” D. Lucas, III, PE, will serve as the Director of Engineering for the West Office.

Lucas, who joined The Engineering Groupe, Inc. in November, provides strategic leadership and management skills in consulting engineering and planning, as well as technical and operational experience for the firm’s client base.

“With Loudoun County’s steady growth and the coming Metro Silver Line, we are very excited to expand our reach with our new Ashburn office,” said Groupe, an Aldie resident. “Charlie is an incredible asset and we both look forward to being closer to our clients in Loudoun and western Fairfax.”

From left: Loudoun County Board of Supervisors Vice Chairman Ralph M. Buona (Ashburn) welcomes The Engineering Groupe, Inc.’s Denar Antelo, Johnny Groupe, Ned Marshall, Charlie Lucas and Skip Groupe to company’s new Ashburn office.

The West Office, at 21001 Sycolin Road, Suite 200, Ashburn, VA 20147, is part of the Goose Creek Village Shopping Center where Sycolin Road intersects Belmont Ridge Road.
