THE ENGINEERING GROUPE HIRES NEW TALENT

MATTHEW BECKER JOINS THE FIRM AS AN ENGINEER

Woodbridge, VA — The Engineering Groupe is happy to welcome Matthew Becker of Alexandria to the team as an engineer. Becker is a 2010 graduate of Virginia Polytechnical Institute, where he graduated with a Bachelor of Science degree in Mechanical Engineering. Becker will focus on residential, commercial and multi-use development projects within The Engineering Groupe.

"We are excited that Matthew has joined our team", says John "Skip" Groupe, President of The Engineering Groupe. "He is a talented young man and will be a tremendous asset to us as we continue to provide a variety of services to some of the area's most exciting projects."

Becker is interested in pursuing his professional engineering license in the next few years to further his professional development. A diehard Hokie fan, Becker strives to attend all VT games, both at home and away.

About The Engineering Groupe:

The Engineering Groupe is a premiere Virginia consulting firm offering a full range of professional services in engineering, planning, surveying and environmental services to prestigious clients. Established in 1990, The Engineering Groupe is celebrating 20 years of providing consulting services to a broad range of clients from national homebuilders and commercial developers to municipal agencies.

The company is headquartered in Woodbridge, Virginia, with an additional office in Fredericksburg. The Engineering Groupe, Inc. has been ranked among the top 25 Engineering Firms in the Metropolitan area by Washington Business Journal. For additional information, please visit www.enggroupe.com.
